## Recital Central: Mark your Calendars

The Dance House's 14th Annual Dance Recital will be held at the Medina Performing Arts Center. Each class will perform in one show.

Beginning in April, we will launch Recital Central on our website which will be your prime resource hub for all details related to our 14th annual recital. Information will be added over time and will include specifics regarding costuming, dress rehearsals, ticketing, etc.

Recital Date: Friday, June 14 (6:00pm) & Saturday, June 15 (11:30am)

Dress Rehearsals: Tuesday, June 12, 2024 (for Friday show) or Wednesday, June 13, 2024 (for Saturday show)

Just a reminder that all dancers will need to have the shoes in our dress code requirements for the recital. Hip Hop recital shoe colors will be announced in April

## Attendance and Missed Classes

Teachers have begun using a small portion of the class time to work on recital dances. If your dancer will not be in the recital, they will still learn the recital dance. It is important that dancers miss as few classes as possible. If they are sick, however, they can make up their classes in another same or lower level class in a discipline approved by the teacher, Miss Shannon, or Miss Amy. If you have questions, please text, email, or call Miss Amy.

## Spring Break, School Closings, & Inclement Weather Policy

We are fortunate to have dancers and friends at TDH from school districts all over the area. As such, our calendar does not match any one school district and we do not necessarily follow any of the schools' closings.

In the event of inclement weather, a text and email will be sent and a social media post will be made by 3:00pm if classes are canceled.

TDH Spring Break for this year is April 1st-6th

## Lost and Found

Be sure to check out our Lost & Found for any items you may have left behind. The ladies at the front desk can direct you to it. All items remaining in the Lost & Found on the 15th of each month will be donated.

As a reminder, be sure to label all of your dancer's belongings with their name as everyone at the studio has the same or similar gear. Dancers should take all belongings into their classroom with them rather than leaving them unattended in the lobby or dressing areas.
